"I was afflicted with what the doctors called nervous indigestion. Took medicine from my family physician to no avail," writes Mr. Thos. G. Lever, of Lever, Richland Co., S. C. "At night would have cold or hot feet and hands, alternately. I was getting very nervous and suffered a great deal mentally, thinking that death would soon claim me. Always expected something unusual to take place; was irritable and impatient, and greatly reduced in fiesh. I could scarcely eat any thing that would not produce a bad feeling in my stomach. After some heistation. I decided to try a few bottles of Dr. Pierce's Golden Medical Discovery and 'Pelleta'. After taking several bottles of each, found I was improving. I continued for six months or more, off and on. I have to be careful yet, at times, of what I cat, in order that I may feel good and strong. I fully believe if any one suffering with indigestion or torpid liver or chronic cold would take Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' and observe a few simple hygienic rules, they would soos be greatly benefited, and with a little perseverance would be entirely cured."
